## Vision :

Our vision is to provide astrological solutions to the customers who are facing problems. We want to give direction to their life with the assistance of our trusted and certified astrologers.

## Our Mission :

We are working to build the world's largest community of people who seek, learn and share astrological, spiritual and well-being experiences on a single platform in a transparent, trustworthy and credible manner.

## WE GOT YOUR BACK :

At Divine Connection, all of the astrologers, along with the support team, work in amalgamation as one family to ensure you the best astrology experience. Whether you

are a teen stressing over what career field to choose or an adult facing compatibility issues in marriage, Divine Connection helps all find guidance, direction and happiness in life.

### Our Story :

Divine Connection came into being with an aim to not only keep the ethos of traditional astrology intact but to also amalgamate in it the solutions to modern problems like mental health, stress, depression, etc.

With that being the first and foremost goal, Divine Connection's founder Disha Dhanrajani has not only worked to deliver the best of Vedic astrology on the platform but has touched every aspect of mental wellness through spiritual means.

With the grace of God, Divine Connection, over the years, has not only been able to achieve the aforementioned

aim but also add-on to the list of 'achieved goals' and continues to do so. Divine Connection besides allowing you to talk to the best astrologers, also provides numerous other services like Free live sessions, Free Kundli matching, Daily horoscope and much more.

As Divine Connection continues to grow with each passing day, so is growing our potential and urge to offer the best of astrology to our users. We are working to build the world's largest community of spiritual and wellbeing experts, and we hope you become a part of this journey one prediction at a time.
